RE: #18-006, Fresenius Kidney Care Madison County, Granite City

Dear Ms. Avery:

I am the Regional Vice President at Fresenius Kidney Care (FKC) who will oversee the FKC Madison County dialysis facility proposed for Granite City. As noted in Dr. Cheema's letter dated October 17, 2017, regarding #16-037, DaVita Foxpoint, he has withdrawn his referral support for that project. To the best of my knowledge, the referrals listed by Dr. Cheema for #18-006 accurately reflect his plans to refer patients to FKC Madison County in the first two years after project completion.

Please note that Dr. Polack is also supporting the Madison County facility. Dr. Polack's practice is separate from Dr. Cheema's.

Sincerely,

Patrice Komoroski, Regional Vice President
Fresenius Medical Care
